seasonal workshops**

Mothering Sunday

Join us as we discuss ideas about Mothering Sunday, listen to the story of Moses and discover the origins of, and later make, simnel cake.

Pentecost

We celebrate the Churches birthday! We'll be exploring how Jesus gave a special gift to his friends. How better to celebrate a birthday than with cake?

Harvest

Harvest is festival when we give thanks for all that God gives us. We look at different charities and turn our hand to some seasonal craft activities.

Christmas

We listen to the story of how Jesus was born, create some angelic decorations to take home and add our own decoration to some festive biscuits.

**All the workshops will
be held in St John's
Centre, GU4 7AA
We hope to see you
there!**
